

INDEX TO VOLUME XLVII.

C.N. = Clinical and other Notes.  
C.L. = Current Literature.

PAGE	PAGE		
Allnutt, Major E. B., some experiences in the control of fly-breeding .. ..	105	Canned foods, the examination of spoiled .. .. C.L.	388
ANALYSES AND REPORTS :—		Carcinoma of the tongue, technic of use of removable radon seeds in .. C.L.	70
Wellcome Historical Medical Museum, re-opening of .. ..	238	Casement, Major F., notes on the Schick test as carried out at the Duke of York's School, Dover .. ..	379
Anatoxin dysentérique .. .. C.L.	68	Casualties, some guiding principles in the evacuation of, by Major T. J. Mitchell	21
Aneurysm, saccular, of the posterior tibial artery, by Major H. C. Sidgwick C.N.	448	Cavalry corps, the tactical employment of the Medical Services in a, by Colonel R. M. Downes .. ..	328
Antimony and arsenic in malaria, by Major D. T. M. Large and Captain V. J. Bonavia .. ..	430	Chemical warfare : gas offence, gas defence and smoke production .. .. C.L.	223
Army class at the London School of Economics and Political Science, by Lieutenant-Colonel P. G. Easton ..	55	Coccidia, experimental passage of the oöcysts of fish, through the human intestine .. .. C.L.	69
Arsenic and antimony in malaria, by Major D. T. M. Large and Captain V. J. Bonavia .. ..	430	Cochrane, R. G., leprosy, with special reference to prognosis .. ..	423
Arthur, Lieutenant-Colonel W. P. Mac, old-time plague in Britain .. ..	401	Collier, Captain and Quartermaster G. A., camps, billets and bivouacs .. ..	335
<i>B. coli</i> in water analysis, a new medium for the differentiation of .. C.L.	148	Collier, Captain and Quartermaster G. A., march discipline .. ..	268
Bacilli in tuberculous milk, a new method for the concentration of.. .. C.L.	310	CORRESPONDENCE :—	
Barnes, J. S., medical supply forty years ago .. ..	281	Anterior dislocation of the semilunar bone, letter from Major C. M. Finny	318
Barracks, disinfection of, by Lieutenant-Colonel M. C. Beatty .. .. C.N.	59	Comparison of stovarsol and emetine hydrochloride in the treatment of amoëbic dysentery, letter from Colonel J. C. Kennedy .. ..	399
Beatty, Lieutenant-Colonel M. C., disinfection of barracks .. .. C.N.	59	Meningococcus septicæmia, letter from J. O. Symes .. ..	238
"Bilharziasis." Subcapsular rupture of the spleen with delayed intraperitoneal hæmorrhage, by S. Smith and Major W. R. O'Farrell .. .. C.N.	373	No. 3 General Hospital, letter from Major T. H. Scott .. ..	79
Billets, bivouacs and camps, by Captain and Quartermaster G. A. Collier ..	335	CORRESPONDENCE CIRCLE :—	
Bionomics, studies in mosquito, by Major C. H. H. Harold .. ..	81, 180	A note on lecturing, by Major M. B. H. Ritchie .. ..	285
Bismuth, notes on the pharmacology of, with reference to its employment in the therapy of syphilis .. .. C.L.	389	Mechanicalization of the Medical Services, by Major M. B. H. Ritchie ..	364
Bivouacs, billets and camps, by Captain and Quartermaster G. A. Collier ..	335	The medical service of the Royal Navy, communicated by Major M. B. H. Ritchie .. ..	202
Blood changes in rabbits after vaccinia inoculation, by T. G. M. Hine .. ..	419	Cresol, saponified, as a larvicide, by C. Strickland, D. N. Roy and Major A. D. Stewart .. ..	188
Bonavia, Captain V. J., arsenic and antimony in malaria .. ..	430	Cummins, Colonel S. L., sidelights on tuberculosis .. ..	321
Camps, billets and bivouacs, by Captain and Quartermaster G. A. Collier ..	335

	PAGE		PAGE
Davies, Major R. M., a comparison of stovarsol and emetine hydrochloride in the treatment of amoebic dysentery C.N.	296	Finny, Major C. M., anterior dislocation of the semilunar bone, letter from ..	318
Dickinson, Major R. F. O'T., the incubation period in malaria .. .. C.N.	381	Fish coccidia through the human intestine, experimental passage of the oöcyts .. .. . C.L.	69
Diphtheria and scarlet fever, methods of prevention in .. .. . C.L.	389	Fly-breeding, some experiences in the control of, by Major E. B. Allnutt ..	105
Disinfestation of barracks, by Lieutenant-Colonel M. C. Beatty .. .. C.N.	59	Foods, canned, the examination of spoiled .. .. . C.L.	388
Dislocation, anterior, of the semilunar bone, by Major C. M. Finny, letter from .. .. .	318	Fotheringham, Captain J. E., a case of ? gastric syphilis .. .. . C.N.	377
Dislocation, anterior, of the semilunar bone, by Major J. H. M. Frobisher C.N.	134	Frobisher, Major J. H. M., a case of anterior dislocation of the semilunar bone .. .. . C.N.	134
Dysentery anatoxin .. .. . C.L.	68	Frobisher, Major J. H. M., a case of ? gastric syphilis .. .. . C.N.	377
Easton, Lieutenant-Colonel P. G., the Army class at the London School of Economics and Political Science ..	55	Gas offence, gas defence, and smoke production, chemical warfare: .. C.L.	223
Economics and Political Science, the Army class at the London School of, by Lieutenant-Colonel P. G. Easton ..	55	Gingivitis, post-war acute ulcerative, by Captain S. H. Woods .. .. .	241
EDITORIAL:—		Gunter, Lieutenant-Colonel F. E., side-lights on tuberculosis .. .. .	321
Experimental epidemiology .. ..	205	Harold, Major C. H. H., studies in mosquito bionomics .. .. .	81, 180
Immunization against measles .. ..	439	Head injury, a case of, by Captain E. Underhill, .. .. . C.N.	63
Lieutenant-General Sir W. B. Leishman	1	Hine, T. G. M., blood changes in rabbits after vaccinia inoculation .. ..	419
Mobility in modern armies .. ..	367	Infectious diseases, common, active and passive immunisation against .. C.L.	146
Report on the health of the Army for the year 1924 .. .. .	126	Inoculation, blood changes in rabbits after vaccinia, by T. G. M. Hine ..	419
Revised conditions of service for Army medical officers.. .. .	124	Intestine, small, rupture of the, two cases of, by Captain M. Morris .. C.N.	66
The Medical Services of the American Expeditionary Force in the Great War .. .. .	289	Intussusception, recurrent, by Captain W. B. Swete-Evans .. .. C.N.	448
Ellis, H. A., side-lights on tuberculosis..	321	Kashmir diary, a, by Major D. T. M. Large .. .. .	382, 450
Emetine hydrochloride and stovarsol in the treatment of amoebic dysentery, a comparison of, by Major R. E. U. Newman and Major R. M. Davies C.N.	296	Kennedy, Colonel J. C., comparison of stovarsol and emetine hydrochloride in the treatment of amoebic dysentery, letter from.. .. .	399
Encephalitis, epidemic, by Major R. Priest .. .. .	275	Kennedy, Colonel J. C., meningococcus septicaemia .. .. .	6
Ensor, Colonel H., a Western Command R.A.M.C. staff tour .. .. .	37, 95	King, Major H. H., summary of recent work on lobar pneumonia .. ..	349
Enteric skin reaction, by Major D. T. M. Large .. .. .	196	Large, Major D. T. M., a Kashmir diary .. .. .	382, 450
Evacuation of casualties, some guiding principles in the, by Major T. J. Mitchell	21	Large, Major D. T. M., arsenic and antimony in malaria .. .. .	430
Examination for the promotion of Majors to the rank of Lieutenant-Colonel, a tactical scheme set at an, by Colonel E. P. Sewell .. .. .	161, 252	Large, Major D. T. M., enteric skin reaction .. .. .	196
Exerciser, a simple wrist, by Major W. K. Morrison .. .. . C.N.	445		
Findlay, Major H. T., a case of meningococcal septicaemia .. .. C.N.	445		

	PAGE		PAGE
Larvicide, cresol, saponified, as a, by C. Strickland, D. N. Roy and Major A. D. Stewart .. .. .	188	Navy, the medical services of the Royal, communicated by Major M. B. H. Ritchie .. .. .	202
Larvicide, the importance and uses of Paris green (copper aceto-arsenite) as a C.L.	311	Newman, Major R. E. U., a comparison of stovarsol and emetine hydrochloride in the treatment of amoebic dysentery C.N.	296
Lecturing, a note on, by Major M. B. H. Ritchie .. .. .	285	NOTICE:—	
Leishman, Lieutenant-General Sir W. B., obituary notice .. .. .	1	The War Section of the Royal Society of Medicine .. .. .	469
Leprosy, with special reference to prognosis, by Dr. R. G. Cochrane .. .. .	423	Obituary—Lieutenant-General Sir William Leishman .. .. .	1
Lobar pneumonia, recent work on, by Major H. H. King .. .. .	349	O'Farrell, Major, W. R., subcapsular rupture of the spleen with delayed intraperitoneal hæmorrhage. "Bilharziasis." C.N.	373
Lunn, Major W. E. C., a case of transposition of viscera .. .. C.N.	213	Oöcysts of fish coccidia, experimental passage of, through the human intestine C.L.	69
Malaria, arsenic and antimony in, by Major D. T. M. Large and Captain V. J. Bonavia .. .. .	430	Paris green (copper aceto-arsenite), the importance and uses of, as an "Anopheles" larvicide .. .. C.L.	311
Malaria, the incubation period in, by Major R. F. O'T. Dickinson .. C.N.	381	Phease, Captain R. N., notes on a case of meningococcal septicæmia .. C.N.	444
Mansell, Captain R. A., some problems in recruiting .. .. .	121	Plague in Britain, old time, by Lieutenant-Colonel W. P. MacArthur .. .. .	401
March discipline, by Captain and Quartermaster G. A. Collier .. .. .	268	Pneumonia, lobar, summary of recent work on, by Major H. H. King .. .. .	349
Mechanicalization of the Medical Services, by Major M. B. H. Ritchie .. .. .	364	Political Science, the Army class at the London School of Economics and, by Lieutenant-Colonel P. G. Easton .. .. .	55
Medical services of the Royal Navy, the, communicated by Major M. B. H. Ritchie .. .. .	202	Priest, Major R., epidemic encephalitis .. .. .	275
Medical services, the tactical employment of, in a cavalry corps, by Colonel R. M. Downes .. .. .	328	Promotion of Majors to the rank of Lieutenant-Colonel, a tactical scheme set at an examination for the, by Colonel E. P. Sewell .. .. .	161, 252
Medical supplies forty years ago, by J. B. Barnes .. .. .	281	Radon seeds, technic of use of removable, in carcinoma of the tongue .. C.L.	70
Medicine, Royal Society of, the War Section of .. .. .	469	Recruiting, some problems in, by Captain R. A. Mansell .. .. .	121
Meningococcus septicæmia, by Colonel J. C. Kennedy .. .. .	6	Report, Annual, 1925, of the Chief Medical Officer of the Ministry of Health C.L.	460
Meningococcus septicæmia, by J. O. Symes, letter from .. .. .	238	REPORTS AND ANALYSES:—	
Meningococcal septicæmia, notes on a case, by Major H. T. Findlay and Captain R. N. Phease .. .. C.N.	445	Martindale sterules .. .. .	400
Milk, a new method for the concentration of bacilli in tuberculous .. .. C.L.	310	"Pantosept" disinfectant .. .. .	159
Mitchell, Major T. J., some guiding principles in the evacuation of casualties .. .. .	21	Sodium salts of tetrabrom-phenolphthalein and tetraiodo-phenolphthalein .. .. .	237
Morris, Captain M., two cases of rupture of the small intestine .. .. C.N.	66	The "Aglá" micrometer syringe apparatus .. .. .	237
Morrison, Major W. K., a simple wrist exerciser .. .. .	445	REVIEWS:—	
Mosquito bionomics, studies in, by Major C. H. H. Harold .. .. .	81, 180	A practical handbook on rat destruction, by C. L. Claremont .. .. .	153
Myiasis of the temporal bone, by Major E. A. Sutton .. .. .	61

REVIEWS—*continued.*

	PAGE		PAGE
A short history of the British Army to 1914, by Captain E. W. Sheppard ..	151	Ritchie, Major M. B. H., a note on lecturing .. .. .	285
A textbook of pathology, general and special, by J. M. Beattie .. .. .	156	Ritchie, Major M. B. H., mechanicalization and the Medical Services ..	364
A textbook of the practice of medicine	235	Ritchie, Major M. B. H., the medical services of the Royal Navy, communicated by .. .. .	202
An index of treatment, by R. Hutchison	154	Roberts, Major F. E., notes on the Schick test as carried out at the Duke of York's School, Dover .. .. .	C.N. 379
Aphasia, by S. A. K. Wilson .. .. .	316	Roderbirken, No. 3 General Hospital, by Major T. H. Scott, letter from .. ..	79
Army Manual of hygiene .. .. .	314	Ronayne, Lieutenant Colonel C. R. L., jottings from a diary .. .. .	137, 216, 301
Bulletin of hygiene .. .. .	71	Roy, D. N., cresol, saponified, as a larvicide .. .. .	188
Diseases of the nose and throat, by Sir StClair Thomson .. .. .	394	Rupture of the small intestine, account of two cases, by Captain M. Morris C.N.	66
Handbook of diseases of the rectum, by L. T. Hirschman .. .. .	395	Rupture, subcapsular, of the spleen, with delayed intraperitoneal hæmorrhage. "Bilharziasis," by S. Smith and Major W. R. O'Farrell .. .. .	C.N. 373
Health and Empire .. .. .	317	Saccular Aneurysm of the posterior tibial artery, by Major H. C. Sidgwick C.N.	448
Immunochemical studies, by C. H. Browning .. .. .	72	Salivary calculus, spontaneous extrusion of a, by Captain E. Underhill .. C.N.	135
Instructions for collectors: blood-sucking flies, ticks, etc., by Major E. E. Austen .. .. .	314	Scarlet fever and diphtheria, methods of prevention of .. .. .	C.L. 389
Metropolitan Water Board, Twentieth Annual Report .. .. .	464	Scarlet fever, serum treatment of .. C.L.	391
Modern methods of amputation, by J. G. Orr .. .. .	77	Schick test, notes on, as carried out at the Duke of York's School, Dover, by Major F. E. Roberts and Major F. Casement .. .. .	C.N. 379
Modern methods of feeding in infancy and childhood, by D. Paterson and J. F. Smith .. .. .	234	Scott, Major T. H., No. 3 General Hospital, letter from .. .. .	79
Modern views on digestion and gastric disease, by H. Maclean .. .. .	75	Semilunar bone, anterior dislocation of, by Major J. H. M. Frobisher .. C.N.	134
Post-Graduate lectures, vol. ii, cancer	232	Septicæmia, meningococcus, by Colonel J. C. Kennedy .. .. .	
Practical mathematics, by F. P. Roe .. .. .	466	Septicæmia, meningococcal, notes on a case of, by Major H. T. Findlay and Captain R. N. Phease .. .. .	C.N. 445
Practical microscopy, by E. S. Scales	313	Sewell, Colonel E. P., a tactical scheme set at an examination for the promotion of Majors to the rank of Lieutenant-Colonel .. .. .	161, 252
Protozoology, a manual for medical men, veterinarians and zoologists, by C. M. Wenyon .. .. .	393	Sidgwick, Major H. C., saccular aneurysm of the posterior tibial artery .. C.N.	448
Royal Army Medical Corps training, 1925 .. .. .	315	Smallpox, the skin test for immunity to .. .. .	C.L. 310
Some talk of Alexander, by J. Bridie ..	152	Smith, S., subcapsular rupture of the spleen with delayed intraperitoneal hæmorrhage. "Bilharziasis" .. C.N.	373
Surgery and childhood, by J. Fraser ..	75	Smoke production, chemical warfare: gas offence, gas defence, and .. C.L.	223
Textbook of public health, by E. W. Hope and Stallybrass .. .. .	465		
The early diagnosis of the acute abdomen, by Z. Cope .. .. .	156		
The house-fly, by Major E. E. Austen ..	466		
The house surgeon's vade mecum, by R. Howard .. .. .	150		
The medical annual—forty-fourth year	78		
The nematode parasites of vertebrates, by W. Yorke and P. A. Maplestone ..	233		
The respiratory function of the blood, by Professor J. Barcroft .. .. .	236		
The secretion of the urine, by A. R. Cushing .. .. .	467		
Vital capacity of the lungs, by J. A. Myers .. .. .	397		
What's best to eat? by S. H. Belfrage	398		

	PAGE		PAGE
Spleen, subcapsular rupture of, with delayed intraperitoneal hæmorrhage. "Bilharziasis," by S. Smith and Major W. R. O'Farrell .. .. . C.N.	373	Tuberculosis, side-lights on, by Lieutenant-Colonel F. E. Gunter, Colonel S. L. Cummins and H. A. Ellis .. ..	321
Staff tour, a Western Command R.A.M.C., by Colonel H. Ensor .. .. .	37, 95	Typhoid fever in persons who have been protectively inoculated .. .. . C.L.	462
Stewart, Major A. D., note on cresols ..	188	Underhill, Captain E., a case of head injury .. .. . C.N.	63
Stovarsol and emetine hydrochloride in the treatment of amœbic dysentery, a comparison of, by Major R. E. U. Newman and Major R. M. Davies C.N.	296	Underhill, Captain E., spontaneous extrusion of a salivary calculus .. C.N.	135
Strickland, C., saponified cresol as a larvicide .. .. .	188	Vaccinia and variola, studies of the viruses of .. .. . C.L.	145
Sutton, Major E. A., a case of myiasis of the temporal bone .. .. . C.N.	61	Vaccinia inoculation, blood changes in rabbits after, by T. G. M. Hine .. ..	419
Swete-Evans, Captain W. B., recurrent intussusception .. .. . C.N.	448	Variola and vaccinia, studies of the viruses of .. .. . C.L.	145
Symes, J. O., meningococcus septicæmia, letter from .. .. .	238	Viruses of vaccinia and variola, studies of the .. .. . C.L.	145
Syphilis, gastric, a case of, by Major J. H. M. Frobisher and Captain J. B. Fotheringham .. .. . C.N.	377	Viscera, a case of transposition of, by Major W. E. C. Lunn .. .. . C.N.	213
Temporal bone, a case of myiasis of the, by Major E. A. Sutton .. .. . C.N.	61	War Section of the Royal Society of Medicine .. .. .	468
Tour, a Western Command R.A.M.C. staff, by Colonel H. Ensor .. .. .	37, 95	Water analysis, a new medium for the differentiation of <i>B. coli</i> in .. C.L.	148
TRAVEL:—		Wellcome Historical Medical Museum, re-opening of .. .. .	469
A Kashmir diary, by Major D. T. M. Large .. .. .	382, 450	Woods, Captain S. H., post-war acute ulcerative gingivitis .. .. .	241
Jottings from a diary, by Lieutenant-Colonel C. R. L. Ronayne	137, 216, 301	Wrist exerciser, by Major W. K. Morrison .. .. . C.N.	445
Tuberculous milk, a new method for the concentration of bacilli in .. C.L.	310
